#### **CNG Transmission Corp.; Notice of Section 4 Filing**

May 9, 1995.

Take notice that on May 4, 1995, CNG Transmission Corporation (CNG) tendered for filing pursuant to Section 4 of the Natural Gas Act, a notice of termination of gathering service for specified uncertificated gathering lines.

CNG states that the uncertificated lines are being sold or abandoned in place. CNG further states that although no contract for transportation service with CNG will be canceled or terminated, the meter receipt points will change under some or all of the related Pool Operating Agreements. CNG asserts that the receipt point(s) into its system will either be moved downstream of the current points or, in the case of abandonment in place, eliminated. CNG states that a new downstream receipt point may also become an allocated receipt point under the pooling agreements where the purchasers of gas must agree to an allocation of deliveries to CNG at that receipt point.

CNG indicates that it has notified all parties in either the related transportation agreement of the related polling agreement of this filing.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, D.C., 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before May 16, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
